

Dear SDMBA Member,

Thank you for your participation and support of San Diego Mountain Biking Association for the past year. Yes, it's been that long and it's time to renew your membership.

Monthly advocacy meetings are every third Wednesday at 7PM at Mission Trails Regional Park Visitor Center. A great way to get involved is to meet the SDMBA volunteer working with land managers in your riding area and offer to help him or her.

We now have volunteer committees and also hold quarterly general membership gatherings. Meet fellow members and riders and see special demos or presentations by mountain biking experts and pros. See website for listings.

Thanks. See you on the trails.
